Getting in touch with families and players who attended Smrikva Bowl to get their support letters and learn a bit more about their Smrikva Bowl experience is the starting point of the candidacy process.

Love for the sport & being #1 player in your country is a good start...

- Traditionally **Smrikva Bowl candidacy process starts** with the Ambassador support letters (which is one of the seven required elements that each candidate present):

Recommendation from AMBASSADORS (past Smrikva Bowl players) like all the other application material elements are **MANDATORY**... each Ambassador can ONLY sponsor one candidate per edition. Since 2026 are required 6 Ambassadors support letters.

In case you do not know directly any of the players who attended Smrikva Bowl take a look at the list of the past SB players together with your coach who might know or may have friends that might introduce you to our past players to whom you should present your child, get more familiar with Smrikva Bowl and hopefully get the support letters. *In case you do not succeed to get in touch with past Smrikva Bowl players we will not be able to examine your candidacy being this element fundamental in the process.*

- Few words about ranking information and tennis experiences lived so far that each candidate provide in application package:

loving sport and living by values that sport teach us + being ranked #1 in the country or region where you are developing your talent is a good start...

#1 ranking on the **under 10** ranking list is taken into consideration for the countries where children born in 2016 are **not allowed** to compete in the under 12 age group **and** also for the players born in the **second half** of the year.

Traditionally **the reference ranking list is under 12** ranking list. On the U12 ranking list the candidate needs to take into account only players born in **2016**. This was always the main reference for the Smrikva Bowl candidates in terms of ranking.

If in your country there is no ranking, the list of tennis experiences lived INTERNATIONALLY so far with respective results should be presented.

Qualification Rules for the 32nd SMRIKVA BOWL 2027 (V of VII)

Qualification Rules for the 32nd SMRIKVA BOWL 2027 (VI of VII)

Smrikva Bowl Fair Play and Sportsmanship Code of Conduct

Congratulating the opponent after a match is considered a symbol of good sportsmanship.

..

Smrikva Bowl candidates should behave already in line with Smrikva Bowl Fair Play and Sportsmanship Code of Conduct before presenting their candidacy...

The game during Smrikva Bowl should be enjoyed for its own sake, with proper consideration for fairness, ethics, respect, and a sense of fellowship among players.

Sportsmanship includes virtues such as fairness, self-control, courage and persistence when dealing with others as well as respect for both authority and the opponent.

Before attending Smrikva Bowl, each player, family and coach invited to participate should practice the following:

- to congratulate your opponent when a great point is played...
- to avoid saying “com’on” (“idemo“, “bravo“, “ajde“, “vamos“, etc.) when your opponent makes an unforced error...
- to congratulate your opponent after the match...
- to choose tennis battlefield instead of gamesmanship battlefield...
- to play the match without coaching assistance...
- to cooperate with Smrikva Bowl on-court Facilitators in helping yourself and in helping your opponent...

BEHAVE IN ACCORDANCE WITH YOUR COMMON SENSE BUT REMEMBER THAT: BAD ON COURT BEHAVIOR, COACHING AND DEROGATORY CHEERING ARE NOT ALLOWED...

10 things we dream for SB children to distinguish in are: Common sense, Patience, Respect, Integrity, Trust, Manners, Character, Code of Ethics, Class and Love.

Qualification Rules for the 32nd SMRIKVA BOWL 2027 (VII of VII)

Smrikva Bowl Languages. Important note for the family and players...

Players should train to count points in English...

*During candidacy proces **please make sure that one member of the players' family or coach who is assisting the candidate in his/her candidacy process is fluent in one of the mentioned languages and in basic English.***

Tennis is a mental game which requires concentration and the most serious mind... and this is **one of the reasons why coaching was not traditionally allowed** in tennis...

If you ever played competitive tennis you will remember that during the match when the momentum is not with you it is difficult to play... it is hard to spot turning points... and is very difficult to receive the most common sense advise from anybody... and this is totally normal...

Please remember that your child is doing all of his/her best to turn the momentum on his/her side... and **ONLY** your ability to demonstrate that you are not nervous and angry because of his/her difficulties in the match to get the momentum back is of help to him/her...

Please let him/her learn... develop... get experience...

On Smrikva Bowl there are families and players speaking over 30 different languages... and sometime „good boy“ or „good girl“ said in a language we are not familiar with may sound to us as „play on his forehand“... **If you get invited, when supporting your child, please be aware of the above.**

During candidacy proces please make sure that at least one member of the players' family or coach who is assisting the candidate in his candidacy process is fluent in basic English and at least one of the following languages:

■ ENGLISH, CROATIAN, SPANISH, ITALIAN or CHINESE

... the one who is in charge to present the candidacy please make sure that the family and the candidate get the full understanding of the content of this presentation.

Additional Information of interest

32nd Smrikva Bowl 2027 edition is dedicated to children born in 2017 ONLY ...

If your child recently fall in love with tennis Smrikva Bowl is NOT a recommended experience ...playing with children who dedicated many years to develop their current tennis talent level is not fair to your child.

- In the many Smrikva Bowl annuals, over 50% of the accepted candidates were formally ranked #1 in their age group in their country or region... (*and most of the players were ranked TOP 3*)
- **Since 2003 the Ambassadors' network is the most important source in identifying Smrikva Bowl talents and the candidacy process start with their support letters.**
- **Why U12 ranking list?** Traditionally around 80% of the Smrikva Bowl players were allowed by their Federations to play under 12 age group and were no longer competing in the under 10 age group. This was the reason why **U12 ranking list emerged over time as the preferred one.**
 - When presenting your current ranking on the under 12 ranking list this year candidates should COUNT ONLY PLAYERS BORN in 2017.
 - If a tennis federation does not allow their top 10 years old players to play in the U12 age group, then U10 list is presented...
 - If there is no ranking in the country then the major results at INTERNATIONAL tennis experiences lived so far are presented.

Ranking is ONLY one of the elements evaluated for each candidate.

32nd SMRIKVA BOWL 2027

- In 2011 we organised the first Smrikva Bowl visit to the Brioni islands for the parents and players. Following the success of our first visit we organise this visit on Friday each year... The natural beauty and the animals that live on the islands is something lovely for both parents and kids.
- It was dinosaurs home... a luxury vacation site since the Roman Empire period... the current beauty is the result of Paul Kupelweiser's work who transformed the islands in one of the most important luxury resorts in the World at the beginning of the 20th century... later on President Tito used the islands as his residency and in 1956 the Non Aligned countries movement was launched from these islands...

32nd SMRIKVA BOWL 2027

Smrikva Bowl... beyond tennis... “shangri – la”...

“Home of the seeds of the Legends of tomorrow”...

About Smrikva Bowl (I of V) DREAM TO INSPIRE

Smrikva Bowl - still a very young event...

Smrikva Bowl ... imagine it as a theater where every year we work hard to set the stage where the talents can gather... we do our best to gather talents, arriving from different cultures, having different dreams...*

We set the stage and later on they are in charge to write the most different life stories...

... we like to believe that some of the children we had pleasure to meet will write inspiring stories in most different professional fields. We also know that according to the statistics only few of the kids participating SB will make it to become professional tennis players, but we like to believe that many will make it in other fields.

Andre Agassi was repeating to friends and people meeting during his life (through the whole biography book OPEN) that he doesn't like tennis and it seems that he never had the option to choose.

We will never know how many kids playing Smrikva Bowl are playing it because their parents would like them to become professional tennis players and how much of them play it because they enjoy the game. What we do know is that any kind of sport, music can help kids in their growth. We also know that people that do excel in any field they do it because of their dedication to reach the excellence.

Thinking of Andre's words we start thinking of people around the World that every morning wake up early and do the most different jobs to make for living.

There is one part in Andre's book... about inspiration, faith and what does it mean to be a good coach... to have the right words in the right moment... it is about people who believe in other people and help them to write their life stories... and here are Gil's words reported by Andre when he accepted to coach him: *"I'm not one of those people who expresses or articulates feelings very well, but from now on, just know this: It's on, man. It is on."*

You know what I'm saying? We're in a fight, and you can count on me until the last man is standing. Somewhere up there is a star with your name on it. I might not be able to help you find it, but I've got pretty strong shoulders, and you can stand on my shoulders while you're looking for that star. You hear? For as long as you want. Stand on my shoulders and reach, man. Reach."

In every life there are people that influence what we do and how we do it. Smrikva Bowl dream to inspire its players and Ambassadors to believe in their dreams and to keep dedicating daily to reach them.

Sport and music are in general good educators and the vision of sport preferred in Smrikve is the one Nelson Mandela once said: *"Sport has the power to change the world, the power to inspire and the power to unite people in a way little else can – it is an instrument of peace."*

About Smrikva Bowl (II of V) 21st of SEPTEMBER

Smrikva Bowl Ambassadors Day*...

The International Day of Peace, also known as the World Peace Day, occurs annually on September 21st and this day has been elected to be the Smrikva Bowl Ambassadors' Day...

The day when the candidacy process for the new generation start...

... although celebrated on the same day as the World Peace Day, is dedicated to civilisation, intergenerational responsibility and tennis. Without civil society in a modern world there is no guarantee for peace.

Not nice event or behaviour could be compared to a mistake in tennis... we learn from mistakes. They help us understand what is not good or what we could do better...

A Nobel Prize for Peace once wrote down the following: *"The future is always in a minority. Yet the history of the future is more important than the history of the past. It is for the old to remember the past. It is for the young to build the world of tomorrow."*

Do it! You can build a world without wars. You can build a new humanity."

Everything around us lives in a delicate equilibrium and with intelligence we should try to understand it and respect it. The knowledge, human curiosity and will to learn are important.

Our Nobel Prize for Peace used in his note the statement: *"Do it!"* which reminded Yoda's wisdom words when he shares his knowledge with young Jedi: *"Try no. Do or do not ":)*

About Smrikva Bowl (III of V) OLIVE TREES

Old Smrikva Bowl Ambassadors Olive Trees*... Circle of life

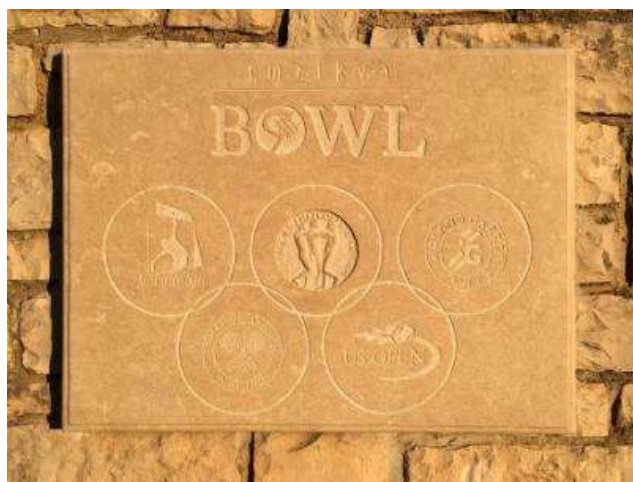

One of the most important moments for the Smrikva Bowl "seeds of the Legends" is linked with Smrikva Bowl Olive Trees story...

Smrikva Bowl loves Lion King and the moment when Mufasa explains to Simba that is not easy to be the King... a good King should know that everything around us lives in a delicate equilibrium and with intelligence we should try to understand it and respect it.

.... In 2005, for the 10th Smrikva Bowl anniversary, we started a tradition of planting an Olive tree. The Olive tree selected was older than the oldest man living on the earth today. The tree that we planted for the 10th Smrikva Bowl is over 150 years old and happens to come from Spain.

During the ceremony, every Ambassador put a tiny piece of land close to the root of the Olive tree and say his or her name. This way the tree gets the names of each Ambassador. Every year an old Olive tree receive the Ambassadors' names from many countries and continents.

The Olive tree is in many countries symbol of peace. The age of the Smrikva Bowl tree is a symbol of intergenerational responsibility. Every person is born without knowing anything about life on this earth and it is the responsibility of every generation to understand and to learn to preserve all that each of us is born with. The message our Olive trees transmits to our Ambassadors is that intergenerational responsibility alone will allow future generations to enjoy the beauty of life, the sunsets and the seasons of the earth.

About Smrikva Bowl (IV of V) THE BOOKS

Smrikva Bowl Library*

Why Smrikva Bowl children bring books to Smrikve if selected to become part of the large Smrikva Bowl family?

It is the story of nearby 1700 books coming from 86 countries...

It was 2009 when we started to build the Smrikva Bowl library. Since 2009, each Smrikva Bowl player is pleased to bring with him a cultural book that will remember his stay in Smrikve and will represent part of the culture of his origin.

Smrikva Bowl Ambassadors are today spread in 114 countries and six continents. Historically their task was to help us in our search of the talented kids in their countries of origin and invite them to join the Smrikva Bowl family but from 2009 they started to become also our Cultural Ambassadors..

"It is the supreme art of the teacher to awaken joy in creative expression and knowledge." – Albert Einstein

The old olive tree Smrikva Bowl Ambassadors plant every year is a symbol of friendship and intergenerational responsibility and Smrikva Bowl's idea of children, sport, music and culture that are able to pass all frontiers are incorporated in the creation of this Smrikva Bowl Library.

Today people live an average of about 80 years. What we call civilization is mostly made up of the human knowledge we have accumulated until today, which our institutions pass to future generations.

The books represent the greatest human memory that can help us understand what we see combined with cumulated personal experience of our daily lives. But given the fragility of the circle of life it is very easy for people to ignore these facts and lose sight of our human knowledge. It takes just a few generations to lose this great heritage.

We have gotten used to rapid technological progress, but social and civil progress is slower and more complex. Humans learn throughout their whole lifetime, from books and schools, but we also mostly learn from our personal experiences.

Smrikva Bowl dream to spread believe in values of friendship and empathy which are cosmopolitan values per excellence for people and humanity...

About Smrikva Bowl (V of V) THE ANTHEM

Smrikva Bowl Anthem – “I COLORI DEL MONDO” by Claudio Montanelli

Smrikva Bowl Anthem “I COLORI DEL MONDO” (“THE COLORS OF THE WORLD”) was written and composed by Claudio Montanelli, Golden Smrikva Bowl Honorary Member, back in 2009.

“BOJE SVIJETA”

IN QUESTO GIORNO DI FESTA
CHE CI FA STARE VICINI
SE SIAMO QUI E' PERCHE' SIAM "UOMINI"
CON UN PASSATO DA BAMBINI

OGNUNO CON LA PROPRIA STORIA
LA PROPRIA LINGUA E LA BANDIERA
E LOTTERO' CON IL RISPETTO
IN QUESTA TERRA MAI STRANIERA

SONO I COLORI DEL MONDO
LI PUOI TOCCARE CON LE DITA
TRA ULIVI E FIORI E MARE LIMPIDO
GENERANO TUTTI NUOVA VITA

SORRISI LACRIME SPERANZE...
VITTORIE SOGNI SENZA FINE
HO CONOSCIUTO MOLTI AMICI QUI
IL CUORE NO... NON HA CONFINI

LA MIA CASA E' LONTANA DA QUI
NON HO CON ME I MIEI GIOCHI... MIO PC
MA IN QUESTO GIORNO COSMOPOLITANO
NAVIGHIAMO SU INTERNET...
MA CON LA MANO NELLA MANO.

E SE RESPIRO FORTE SENTO
TUTTA LA BREZZA DEL MARE
E' UN INCANTO LA CITTA' DI POLA...
E' BELLA... MI FA SOGNARE...

E QUANDO ME NE ANDRO' DA QUI
PORTERO' CON ME IL RICORDO
IL SORRISO DI QUESTE PERSONE
LA LORO VITA... LA LORO PASSIONE

HO VINTO ANCH'IO QUALCOSA QUI
NON SON MEDAGLIE NE TROFEI
MA IL PURO E VERO AMORE LIMPIDO
CHE DARA' LUCE AI GIORNI MIEI

SONO I COLORI DEL MONDO
LI PUOI TOCCARE CON LE DITA
TRA ULIVI E FIORI E MARE LIMPIDO
GENERANO TUTTI NUOVA VITA

SORRISI LACRIME SPERANZE...
VITTORIE SOGNI SENZA FINE
HO CONOSCIUTO MOLTI AMICI QUI
IL CUORE NO... NON HA CONFINI

ON THIS HAPPY DAY
THAT UNITE US
IF WE ARE HERE IS BECAUSE WE'RE "PEOPLE"
WITH A CHILD'S SOUL

EACH ONE WITH HIS OWN STORY
HIS OWN LANGUAGE AND FLAG
I'LL COMPETE WITH RESPECT
IN THIS NEVER FOREIGN LAND

THESE ARE THE COLOURS OF THE WORLD
YOU CAN TOUCH THEM WITH YOUR FINGERS
AMONG OLIVES, FLOWERS AND CRYSTAL SEA
NEW LIFE IS GENERATED

SMILES, TEARS AND HOPES
VICTORIES... DREAMS WITH NO LIMITS
I'VE MADE MANY FRIENDS HEAR
THE HEART DOESN'T HAVE FRONTIERS

MY HOME IS FAR AWAY FROM HERE
I DO NOT HAVE MY GAMES WITH ME... MY PC
BUT ON THIS COSMOPOLITAN DAY
WE SURF THE INTERNET...
BUT WITH THE HAND IN HAND

AND IF I BREATHE HARD ALL THE BREEZE OF THE
SEA
THE CITY OF PULA IS CHARMING...
BEAUTIFUL... IT MAKES ME DREAM

AND WHEN I LEAVE
I'LL TAKE MY MEMORIES WITH ME
THOSE PEOPLE'S SMILES
THEIR LIFE STORIES... THEIR PASSIONS

I HAVE WON SOMETHING HERE TOO
THERE ARE NOT THE MEDALS NOR THE TROPHIES
BUT THE PURE AND TRUE LOVE
WHICH WILL LIGHT MY DAYS

THESE ARE THE COLOURS OF THE WORLD
YOU CAN TOUCH THEM WITH YOUR FINGERS
AMONG OLIVES, FLOWERS AND CRYSTAL SEA
NEW LIFE IS GENERATED

SMILES, TEARS AND HOPES
VICTORIES... NO LIMITS TO DREAMS
I'VE MADE MANY FRIENDS HEAR
THE HEART DOESN'T HAVE FRONTIERS

NA OVAJ DAN RADOSTI
SVE SAM BLIŽE TEBI
A TU SMO KAO "LJUDI"
S DJETETOM U SEBI

TA DIVNA PULA TAJ ČAROBNI GRAD

I KAD ODAVDE ODEM
SJEĆANJA NEĆE U ZABORAV PASTI...
OSMJESI OVIH LJUDI
NJIHOV ŽIVOT... NJIHOVE STRASTI

I JA SAM NEŠTO OSVOJIO OVDJE
NISU TO NI TROFEJI, NI MEDALJE
VEĆ ČISTA I SVIJETLA LJUBAV
KOJA ĆE VODITI MOJE DANE DALJE
